EXPERIENCE

Family Services Case Manager | 2017 – 2022**Cook County Public Health and Human Services | Grand Marais, MN**

Utilized communication, critical thinking, and management skills to respond to child maltreatment reports. Led investigations, case plans, and court cases. Interfaced and collaborated across systems to monitor, support, and ensure the success for families and children.

Key Accomplishments:

- Top-ranked from client feedback, quality of documentation, critical-thinking skills, and never missing deadlines.
- Known and recognized by supervisors, attorneys, tribal agencies, and judges for settling cases ahead of trial via advanced skills in mediation, communication, investigation, planning, and collaboration.

Marketing Manager | 2015 – 2017**Cook County Whole Foods Co-op | Grand Marais, MN**

Managed advertising, print-media, event planning, business-relations, branding, and graphic design for a food co-op. Managed shifts of 10-12 employees after being recognized for skills in leadership, critical-thinking, and communication. Hosted classes and utilized advanced organizational and problem solving skills to create quarterly periodicals and advertising campaigns to deepen the company's legacy and attract 'owners' to join the cooperative.

Key Accomplishments:

- Nominated to create a 40th Anniversary graphic art installation and historical timeline at the store front (still on display).
- 300 new owners between 2015-2017. Recognized for increasing quality of advertising, customer relations, and quality of signage and branding. Store revenue up 22% by 2017.
- Led the company to a new, modern website on the WordPress platform. Collaborated on the front-end with the design firm, Swim Creative, from start to finish, which seeded the dream to become a web developer.

ESL Teacher | 2011 – 2013**Palisades English Academy | Ilsan, South Korea**

Taught students in an English immersion school setting. Honed skills in leadership, project-planning, critical thinking, time-management, communication, and teamwork.

Key Accomplishments:

- Recognized as the kindest teacher: students wished for a stuffed animal version of me.
- Advanced the quality of curriculum testing, lesson planning, and class materials through research, development, and implementation.

EDUCATION**Boot Camp Certificate:** University of Minnesota, Minneapolis, MN

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, NoSQL, Node.js, MySQL, MongoDB, Express, Handlebars.js, and ReactJS (MERN and RESTful practices).

Bachelor's Degree: University of Minnesota, Morris, MN

Degree in English Literature with a minor in Studio Art.
